- Rynick, S.A., Electromyography Biofeedback Relaxation Training and Progressive Muscle Relaxation Training: A Comparison of Their Effectiveness in the Modeling Treatment of Phobias.

**CLINICAL INTERNSHIP:** (American Psychological Association Accredited)

<u>Director</u>	<u>Address</u>	<u>Date</u>
Ronald Pryor, Ph.D.	Central Louisiana State Hospital Department of Psychology Box 31 Pineville, Louisiana 71360	Sept., 1972 Sept., 1973

<u>UNIT</u>	<u>DUTIES</u>
Youth Behavior Shaping Unit	To provide behaviorally oriented treatment for a large number of hospitalized clients (ages 16-23) of mixed diagnoses.
Chronic Recidivist Unit	To plan and execute methods of treatment which would encourage Clients (who tended to return often to the hospital) to remain in the Community for extended periods of time.
Adolescent Unit	To provide intensive electric group and family therapies for youngsters (ages 12-16) and their families on a five day a week basis.
Female Chronic Unit	To plan an inexpensive, release oriented treatment program, train the staff, supervise program operation and conduct intensive evaluation of program effectiveness.
Physically Disabled Unit	Duties similar to Female Chronic Unit.
Alcohol Unit	To conduct behaviorally oriented individual and group psychotherapy and to plan future assessment and screening for the unit.
Education Department	To train student nurses, attendant, occupational therapists, etc. in behavior therapy.

### **HONORS AND PROFESSIONAL ORGANIZATIONS:**

B.A., Graduation with Honors, University of Illinois, 1968.

Graduate Student Organization, Elected Director, Northern Illinois University 1970-1971.

American Psychological Association Member, 1976-Present  
 Division 40 Neuropsychology (1990)  
 Division 18 Public Service Psychology, Police and Public Safety Section (1998)

Association for the Advancement of Behavior Therapy Member, 1978-Present.

Louisiana Psychological Association, 1978-2007.

Nominee, Distinguished Faculty Award, College of Education, 1979, 1980.

Distinguished Contributions Award, Veterans Administration Outpatient Clinic, 1983-1985.

National Academy of Neuropsychology, 1991-Present.

Society for Police and Criminal Psychology, 1998-Present.

International Association of Chiefs of Police, 1999-Present

**THESIS AND DISSERTATION TITLES AND OTHER RESEARCH:**

Thesis: Opinion change as a function of locus of control, covert-overt influence and prestige. NIU, 1972.

Dissertation: The effect of self - vs- external - monitoring and locus of control upon the pacing And general adjustment of hospitalized psychiatric inpatients. NIU, 1975.
